**Sydenstricker Bible**  
From American Bible Society "Record" - Author Pearl Buck has presented the specially bound presentation copy of her father's Chinese translation of the New Testament to the ABC library. The colloquial translation was completed by the Rev. Absalom Sydenstricker in 1929 and a limited edition was printed in China. A group of Chinese friends had one copy specially bound to show their appreciation for the help they had received from the translation. Miss Buck had this copy in her possession since her father's death and gave it to the Society for permanent safe keeping.

The Rev. Collier Harvey adds the following information from the Ministerial Directory: Her father was one of four brothers, all born in Lewisburg, who entered the Presbyterian ministry. They were all licensed by Greenbrier Presbytery and three were ordained by Greenbrier. The most familiar one was David Spotts Sydenstricker who served from 1875 to 1907 as pastor at Oak Grove Church at Hillsboro.

Let us press on unto perfection. —(Heb. 6:1).

A balanced life is what makes for contentment as well as growth. If we had been meant to be only physical, only mental, or only spiritual, we would have been created differently. We are created three-fold beings and as we pray and work toward establishing perfect balance, we more and more express the perfection God means for us to express.
